A separate license is required for each copy of the Software.

You acknowledge that since the Internet is neither owned nor controlled by any one entity, Health Scholars makes no guarantees that any Licensed User will be able to access the Services at any given time, and except as otherwise specifically provided herein, Health Scholars will not be liable to a Licensed User or Client, if applicable, for failure of accessibility to the Services.

You or the Client, as applicable, shall pay all License Fees in immediately available indefeasible unconditional funds without any set-off or deduction. All License Fees are exclusive of any taxes or other governmental or governmentally or legally imposed charges, fees, costs, or expenses, all of which shall be due in addition to the License Fees. Any amount of any License Fee that is unpaid when it is due shall accrue interest from the date it is due until Health Scholars’ receipt of the payment of such amount at the rate of the lower of (i) one percent (1%) of the unpaid balance per full or partial calendar month or (ii) the highest enforceable rate of interest under applicable law. b. The License Fees for the Initial Period are due at the time set forth in the applicable Master Services Agreement for licensing the Software or Services and the License Fees for a Renewal Period are due at the time set forth in the applicable Master Services Agreement of such Renewal Period. If all or any part of the License Fees for a Renewal Period has not been paid or received by Health Scholars, Health Scholars has the right to terminate this License Agreement and the license and rights to you (and the Client, if applicable) at any time with immediate effect. Health Scholars may, if and as decided by Health Scholars in its discretion, permit you or the Client, as applicable, to cure such non-payment to avoid such termination.
